1. Call to Order
2. Public Comment–none
3. New Business
 - a. Library Addition
 - i. Cassidy got a list from staff of requests: accessible entrance, larger kids area towards the back of the building, teen area, additional meeting room with no carpets, study rooms with glass doors, enclosed book drop in the building, exterior door in staff workroom, Square credit card terminal, catalog computer for patron use, enough bookshelves to not use bottom shelves, organize kids area by age, astronomy tower, move school house somewhere else on property and add parking there, consult school administrations to see what kind of spaces would be useful to the community
 - ii. Gary: Plans should have plans for a future addition, moving school house might not be worth it for the amount of parking spaces that would be added. Need to keep in mind how far north to go because of the septic field.
 - iii. Cassidy shared a rough copy of a drawing with a potential design
 - iv. Meet again next month–discuss architects, incorporating solar ?, adding building funds into the budget?
4. Adjourn at 6:28 pm; Motion to adjourn by Tricia; second by Libby; all in favor
